ABOUT

YALANDRA

PASTORAL COMPANY

Yalandra Pastoral is a wagyu stud founded by
Dr Scott Giltrap and Dr Angela Ramsay.

Since the first fullblood wagyu were purchased in 2003 the herd has expanded to consist of stud cows, bulls, commercial cows and embryo recipients. With extensive investment into breeding programs, the rate of genetic improvement of the Yalandra herd is increasing rapidly.

At Yalandra we believe in a multifaceted approach to running a successful Wagyu enterprise. Genetics, animal health, pasture improvement, rotational grazing, nutrition, and low stress animal husbandry are all integral to successfully achieving the maximum phenotypic expression of the genetics in our herd.

Our breeding herd is run in the highly sought after Mitta Valley across six properties containing high producing pastures, rich soils, river flats, irrigation, and a temperate climate. The cows are rotationally grazed using working dogs, motorbikes and occasionally by horses. All calves are creep fed and yard weaned. Commercial steers are fed at our property in Jindera NSW.

Our breeding programs focus on balanced herd improvement creating exceptional carcasses whilst improving maternal and growth traits. We are very proud of the growth and phenotype of the bulls offered in this sale.

WAGYU

MITTAVALE WAGYU

Mittavale Wagyu (WMV) is a family run Wagyu Stud located in the Mitta Valley Victoria.

Run by three siblings Chloe, Michael and Tess Giltrap. Established in 2022, Mittavale Wagyu is run by three siblings Chloe, Michael and Tess Giltrap. Mittavale Wagyu have been investing heavily in increasing numbers focusing on creating a solid and consistent base of females. With a foundation of Yalandra females, we are confident in the quality our herd is being built upon. We believe that focusing on getting quality females in turn creates excellent bulls.

This is our second year of selling bulls and we are extremely proud of the phenotypes and weights of this years bulls for sale. Mittavale Wagyu bulls run with Yalandra sale bulls and are located in Jindera NSW.

Comments: Perfect for a F1 operation, this high marbling and EMA bull will be an asset. Yalandra has used sexed semen from sire Binowee R32 in commercial herd breeding programs with data anticipated to come back mid this year. We have great faith in the sires ability to produce excellent carcasses and thus his progeny potential as well.

Comments: A recessive free son of super sire Wynford Itoguni, out of star Yalandra cow P066. Yalandra U008 has extremely impressive figures and is developing into a nice type of a bull. Yalandra and Mittavale Wagyu have used a large number of his straws in November AI programs and are extremely excited to get the data collection process underway on this super young bull. As a participant in the AWA Progeny Test Program this is your chance to get in early and use this bull who will be proven as soon as PTP and Yalandra data comes in.

SALE CONDITIONS

The Yalandra and Mittavale Wagyu Bull Sale will be conducted under the ALPA conditions of Sale as applied by the Agents of this sale.

YALANDRA PASTORAL AND MITTAVALE WAGYU OFFER ALL LOTS UNDER THE FOLLOWING CONDITIONS:

1. All live lots and genetic lots are AWA registered as Fullblood Wagyu.
2. BREEDPLAN: Data published in the sale catalogue is current at the time of printing. Latest data is in the online catalogue
3. BREEDING SOUNDNESS & GUARANTEES OF FERTILITY
All bulls offered for sale have passed a semen fertility test by a registered veterinary surgeon and a semen evaluation certificate will be available.
4. All embryos and semen were collected on centre at Holbrook Breeders and have been stored at Holbrook Breeders Since.

GUARANTEES:

All bulls are guaranteed breeders and to so prove within six months of the date of sale.

CLAIMS:

- Claims under the above guarantee of fertility must be made to the vendor within six months from the date of sale and prior to the animal entering a quarantine area other than on the vendor's property.
- Claims must be accompanied by a veterinary certificate which must clearly identify the basis of the claim.
- Infertility resulting from injury or disease occurring after the sale of the animal will not be covered by this guarantee.
- The vendor retains the right to have the animal placed on a property nominated by the vendor or returned to the vendor's property for further assessment of fertility for a period not exceeding six months. In the event of the animal being proven fertile within the period, the costs incurred shall be borne by the purchaser. In the event of the animal not being proven fertile within the period the costs incurred shall be borne by the vendor.

LIABILITY OF A VENDOR:

Except for costs defined elsewhere in the conditions of sale, the liability of a vendor in respect to claims relating to fertility shall not exceed the purchase price of the animal(s) or provide mutually agreed upon replacement animals.

REFUNDS:

In the event of a claim being substantiated and the purchase price being refunded, the animal(s)/ semen/ embryos shall automatically become the property of the vendor and be returned to the vendor or be disposed of according to vendor instructions at vendor's expense. This guarantee is voided automatically if the animal is returned to the vendor in poor physical condition or with any injury as determined in the sole discretion of the vendor acting reasonably, or if tests carried out on behalf of the vendor within 14 days of return proved positive to any diseases which may affect the animals fertility or ability to breed naturally, or the purchaser admits that it has or the vendor forms the view acting reasonably that the purchaser has collected and stored semen from a bull. In the event of a dispute as to whether a lot is a breeder such dispute shall be resolved by the vendor and the purchaser and the auctioneer. While the auctioneer will use their best endeavours to assist, shall have no liability or responsibility in that regard. In the event that a lot is alleged or proved to be a breeder the purchaser shall nevertheless be obliged to pay the auctioneer the full price and any other monies or interest payable by the purchaser in accordance with these terms and conditions.

BIDDING:

The sale will be an online sale through auctions plus. Buyers should register via Auctions Plus and contact the outlined contacts in catalogue with any queries.

INSURANCE:

Ownership of a Lot changes to the Buyer at the fall of the hammer. Insurance is recommended.

FREIGHT and DELIVERY AFTER SALE:

All live animals are at the vendor's property in Jindera NSW. Yalandra and Mittavale Wagyu offer free delivery within 200km. All other freight is the Buyers Responsibility. Delivery will not be approved until the Buyer has paid in full. Please liaise with The Agents regarding transport and deliveries.

GST:

The sale will be conducted on a GST exclusive basis and GST of 10% will be added to the sale price on the invoice.
